SCOTT® Roll Towel - Changed Product Specification

Changed Product Specification:
SCOTT® Roll Towel - Code 4419 changes to Code 44199

From October 2015, **SCOTT® Roll Towel** will be available as a higher roll volume **with a 40% increase in length.** There has been 60% recycled fibre added to the pulp for enhanced sustainability, and a 60% improvement in pallet utilisation. **The product code will change from 4419 to 44199.**

The new compressed towel will provide significant improvements on our sustainability footprint whilst maintaining the high level of performance established by the SCOTT® brand and AIRFLEX* enhanced drying technology.
The key customer benefits are:

- **Improved Sustainability** - manufactured from a blend of 60% recycled and 40% virgin fibre.
- **Greater Operating Efficiency -** increased roll length means fewer roll changes for cleaners and less chance of run outs for users.
- **Reduced Handling-** Smaller cases and improved pallet utilisation means reduced warehousing,

OLD SCOTT® Roll Towel - CODE: 4419

White, 100m/roll,
150mm diameter
12 rolls/case

SCOTT® Roll Towel - Changed Product Specification

Product Specification Changes:

	NEW 44199	current 4419
Metres per Roll	140m	100m
Case Size	555 X 281 X 197 mm	595 X 450 X 183 mm
Gross Weight	7.1kg	6.79kg
Product / Case	8	12
Cases/ pallet	56	28
Lifting factor	29.89	37
Roll Width	180mm	183mm

The key product changes are:

- **Tighter Roll** - despite being 40m longer, the new manufacturing process allows us to roll the new towel more tightly and therefore the roll has reduced in diameter
- **Carton Shipper** - the new towel will be shipped in cartons to aid palletisation
- **Roll Appearance -** the pattern on the product has changed to a more premium pattern that does not affect the absorbency or quality of the towel. The use of recycled fibre content also means that the colour of the towel is slightly different.

Dispenser:

Roll Towel Dispenser - The new SKU will fit the existing dispenser **Code: 4941**.

For customers using an older version of the 4941 dispenser please request a new dowel from Kimberly-Clark Professional Customer Care on 1800 647 994 or email kcp.au@kcc.com
