## FOTON®30

The first fully automated desktop laminator that feeds, laminates and trims with the touch of a button. FOTON 30 revolutionizes the way you laminate. Equipped with built-in auto feeder and trimmer, FOTON 30 delivers automatic lamination - freeing up your time for other activities.

### Load and Go operation!

FOTON 30 starts automatically after warm-up. Load papers. Push button. Walk away.

### Hands Free Lamination

Integrated 30 page sheet feeder with de-skew ensures documents are straight when entering the laminator. No more feeding pouches one at a time.

### Reloadable Cartridges

Reloadable Cartridges are made from 65% recycled material. Easy to load, self-threading cartridge makes changing film simple. Simply open the locking arms, place film and plastic transfer piece into carrier and close locking arms to reload film.

**Never load a pouch again!**

#### Product Specifications
