Article description	
STAEDTLER triplus fineliner 334	Made in Germany

Constituents	
Inks:	Water-based Dyestuffs Binding agent and additives
Holder:	Plastics / Metals: Barrel PP Cap PP Metal-clad tip: Stainless steel
Packaging:	STAEDTLER Box: PP Pen case: PS Triangular packaging: PET with cardboard insert

PP: polypropylene, PS: polystyrene, PET: polyethylene terephthalate

Conformity	
STAEDTLER triplus fineliner 334 meet the standards:	
ISO 11540:	'Caps for writing and marking instruments intended for use by children up to 14 years of age – Safety requirements'.
ASTM D-4236:	The product is tested by ACMI (Art & Creative Material Institute) and conforms to the US-Standard ASTM D-4236. According to the standard, a qualified toxicologist tests the products.
The products meet the Regulations (EG) No. 1907/2006 (REACH) and No. 1272/2008 (CLP) concerning the Registration, Evaluation, Authorization and Restriction of Chemicals. In accordance with REACH Regulation 1907/2006/EC, Article 33, you will find our current articles subject to mandatory reporting under the following link https://www.staedtler.com/REACH	

Usage notes	
Dry safe:	Can be left uncapped for days without drying up. Test conditions according to ISO 554
Washable:	Washes out of many textiles. Does not wash out of silk. Stained clothes should be soaked in cold water and then washed at the appropriate temperature.
triplus®:	Ergonomic triangular barrel for effortless, fatigue-free writing.

Staedtler has been certified to ISO 9001 and ISO 14001 and considered in the selection of raw materials and their processing in the relevant national and international laws to protect the users.

Article description	
STAEDTLER Textsurfer triplus 362	Made in Germany

Constituents	
Inks:	Water-based Fluorescent pigments Binding agent and additives
Holder:	Plastics: Barrel PP Cap PP
Packaging:	STAEDTLER Box: PP
PP: polypropylene	

Conformity	
STAEDTLER Textsurfer 362 meets the standards:	
ISO 11540	“Caps for writing and marking instruments intended for use by children up to 14 years of age – Safety requirements’. Ventilated caps reduce the danger of asphyxiation for children up to the age of 14 should caps be swallowed accidentally.
ASTM D-4236	The product is tested by ACMI (Art & Creative Material Institute) and conforms to the US-Standard ASTM D-4236. According to the standard, a qualified toxicologist tests the products.
The product meets the Regulations (EG) No. 1907/2006 (REACH) and No. 1272/2008 (CLP) concerning the Registration, Evaluation, Authorization and Restriction of Chemicals. In accordance with REACH Regulation 1907/2006/EC, Article 33, you will find our current articles subject to mandatory reporting under the following link https://www.staedtler.com/REACH	

Usage notes	
triplus®:	Ergonomic triangular barrel for effortless, fatigue-free highlighting.
Inkjet-safe:	The ink dries quickly and provides excellent marking results on most Inkjet printing.
Airplane-safe:	Automatic pressure equalization prevents pen from leaking on board aircraft.

Staedtler has been certified to ISO 9001 and ISO 14001 and considered in the selection of raw materials and their processing in the relevant national and international laws to protect the users.

Article description

STAEDTLER
triplus ball 437 XB/M

Made in Germany

Constituents

Paste inks: Alcohol -based
Dyestuffs
Binding agent and additives

Holder: Plastics / Metals:
Barrel PP
Cap PP
Metal-clad tip: Stainless steel

Packaging: STAEDTLER Box: PP

PP: polypropylene

Conformity

STAEDTLER triplus ball 437 meet the standards:

ISO 11540: 'Caps for writing and marking instruments intended for use by children up to 14 years of age – Safety requirements'.

The products meet the Regulations (EG) No. 1907/2006 (REACH) and No. 1272/2008 (CLP) concerning the Registration, Evaluation, Authorization and Restriction of Chemicals.
In accordance with REACH Regulation 1907/2006/EC, Article 33, you will find our current articles subject to mandatory reporting under the following link <https://www.staedtler.com/REACH>

Usage notes

- Ballpoint pen in ergonomic triangular shape for relaxed and easy writing
- Quick-drying and smudge-proof – suitable for marking with highlighter
- Airplane safe - automatic pressure equalisation prevents the pens from leakage during flight
- Smooth-flowing ink for effortless writing

Staedtler has been certified to ISO 9001 and ISO 14001 and considered in the selection of raw materials and their processing in the relevant national and international laws to protect the users.
