# Dip it Plus

## Use Instructions

### LAUNDRY APPLICATION

Wear suitable protective clothing, gloves and eye/face protection. Prepare a 10g/L solution of Dip It Plus in hot water (50-60°C). Immerse stained fabrics in the solution and allow to soak for approximately 3 hours. For all linens including items used for food contact applications, a thorough rinse with potable water should be carried out before use. Dip It Plus is safe on coloured fabrics but not suitable for silk or woollen fabrics.

### KITCHEN APPLICATIONS

#### Tableware pre-soak:

Wear suitable protective clothing, gloves and eye/face protection. Dissolve 50g: 5L of hot water. Immerse stained tableware in the Dip It Plus solution and soak until the stain disappears. Wash and rinse thoroughly with potable water or use dishwasher.

#### De-staining coffee urns:

Prepare solution as above. Fill container with solution. Allow solution to stand until stain disappears or is softened. Wash and rinse thoroughly with potable water. Dip It Plus is suitable for use with soft metals.

## Safety Information

Harmful if swallowed. Causes severe skin burns and eye damage. May cause respiratory irritation.
