

# Pilfer Proof Plaster Dispenser (FIRST2034)

Ready-to-apply plasters in a hygienic, secure dispenser

Solving problems of availability, storage, security and hygiene, are just some features of the new Dependaplast Pilfer Proof Plaster Dispenser from Reliance Medical.

- Storing either mixed or one-size plasters in different materials
- The dispenser can even be operated by the casualty with a single-handed procedure
- Pulling out a plaster strips the wrapper, allowing easy application without affecting sterility.
- Designed for wall mounting, the remaining plasters stay clean, hygienic and dust-free, protected by the self-locking transparent lid.
- Unique wallet 'Release®' key

\*\*\* Contents not included

## Easy application...

**STEP 1.** Secure the Plaster Dispenser to the wall and stock with two wallets

**STEP 2.** Select the plaster of choice by holding and pulling on the top tab.

**STEP 3.** Release the plaster by pulling upwards.

**STEP 4.** Apply the plaster to the affected area.

**Refill Boxes - FIRST2035 (Washproof Plasters), FIRST2036 (Fabric Plasters), FIRST2037 (Blue Food Plasters)**
