New ECO P2200 High Capacity 2-Hole Punch

Minimum effort for maximum performance...

Rapesco take a familiar idea of an ECO product one step further by making these powerful performers in ECO white. Both model colours will be made from recycled plastic and will produce impressive punching results, taking the stress out of those bulky jobs.

Features

- Made with recycled plastic (handle & base cover)
- Ergonomic easy-grip handle for effortless operation
- Self-centring paper guide for accurate hole punching
- Durable precision punch blades (made in Japan)
- Approximate life of blades = 25,000 uses
- Adjustable metal paper guide
- Tough metal working parts
- This 2-hole punch has paper guides which can be set up for 4-hole punching too
- D - 342mm x W - 185mm x H - 176mm (handle down) 375mm (handle up)
