HACCP Australia certifies the products listed above as suitable for use in food handling operations governed by a HACCP based food safety programme.

The products listed above must be appropriately cleaned and sanitized prior to reuse on food contact surfaces and in circumstances where they may have direct food contact.

Licence Commencement

12 March 2018

Certificate Issue Date

6 March 2018

HACCP Australia's evaluation and certification is strictly confined to matters of food safety or the operation of a HACCP based food safety programme. Whilst all reasonable care is taken by HACCP Australia in its evaluation of the product(s) or services(s) described herein, HACCP Australia does not guarantee that every food safety risk in every application has been identified. No guarantee is offered or implied in the issuing of this statement.

Licence Agreement

Clorox Australia Pty Ltd is licensed to use the HACCP Australia certification mark, in accordance with HACCP International's Certification Trade Mark Rules and Conditions in Region 1 (Australasia) in respect of the products listed above for a period of 24 months from the licence commencement date. Clorox Australia Pty Ltd is in receipt of the HACCP International Certification Trade Mark Rules and Conditions v3.0 and agrees to abide by the conditions therein.
